LETTER TO THE EDITOR

A CASE OF PLAGIARISM

Hossein Sanaei-Zadeh

Sir,

I would like to bring your attention to a case of plagiarism that has been occurred in your journal. Almost eighty to ninety percent of the "Materials and Method" of the paper by Jarwani and Motiani1 that has been published in your journal is exactly copied and pasted from an article by Kute et al2 without even changing a word! This plagiarism has been again occurred in other article by the same authors in Journal of Emergencies, Trauma, and Shock.3
